(4) Dougherty, Georgia (Survey Specifications) (Chaves)

The survey specifications were distributed and reviewed. The Committee adopted the survey specifications by consensus.

#### APPROPRIATED FUND

(5) Cleveland, Ohio (Survey Specifications) (Bauer)

The proposed survey specifications were distributed and reviewed. There were no significant changes to the proposed survey specifications from 2015.

The Committee adopted the survey specifications as presented and by consensus.

(6) Texarkana, Texas (Survey Specifications) (Bauer)

The proposed survey specifications were distributed and reviewed. The Texarkana, Texas wage area has an artillery and combat vehicles dominant industry. Previous surveys indicated the area has adequate private specialized industry, but insufficient specialized data within the survey area for S5-12 purposes. In the event the 2017 survey produces inadequate specialized data, an appropriate reference area will be recommended. There were no other significant changes to the proposed survey specifications from 2015.

The Committee adopted the survey specifications as presented and by consensus.

#### ADDED ITEMS:

#### NONAPPROPRIATED FUND

(7) Lauderdale, Mississippi (Survey Specifications) (Chaves)
